SOLID WOOD SEATING
FREEPORT

The **Freeport** is an elegant, sleigh back barstool that is available both with and without arms.

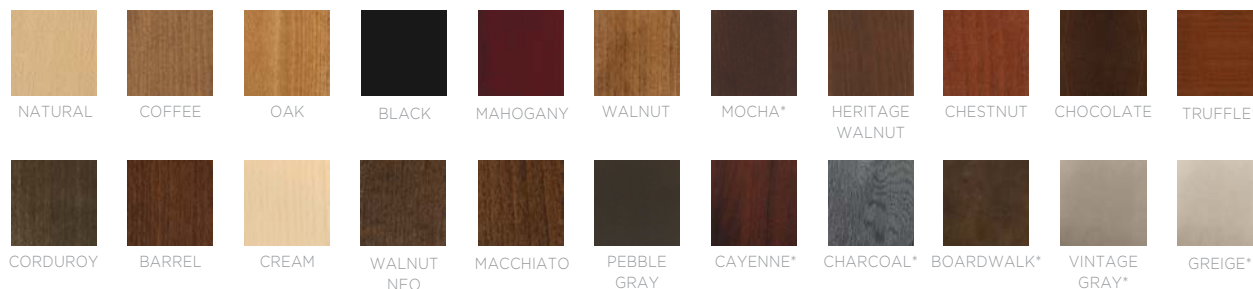

PRODUCT FEATURES

- 1 Strong, beautiful European Beech hardwood frame
- 2 Standard and custom stain options are available
- 3 Sleigh back design
- 4 Plush 2.5-lbs foam seat and 1.8-lbs foam back provide long-term comfort
- 5 Solid mortise and tenon joints
- 6 Generous gap between the back and seat offers easy cleaning

STANDARD WOOD STAIN OPTIONS

Stain colors match our MityLite® tables, available at mitylite.com. (Custom stain matching is available, but a surcharge may apply.)

*Matches MityLite buffet & dining table tops

FABRIC OPTIONS

Due to the sewing and style of the chair, upholstery options are restricted to solids and non-matched patterns. Striped fabrics and fabrics that need specific alignment are not recommended. See holsag.com/fabrics for selections.

SPECIFICATIONS

BACK STYLE	ARM OPTION	FINISH	FABRICS	STANDARD GLIDE
Fixed	Yes	European Beech Hardwood	Grades 1-4+ TB133, COM	Nylon

The Freeport is also available with arms

BACK

The Freeport Barstool has an upholstered back, allowing for custom fabric to be seen from any angle.

FRAME

The frame is built using 100% solid European beech, a strong, bendable, and renewable hardwood. This light-colored is ideal for staining which provides an attractive finish in any color.

GLIDES

Options include nylon glides, small metal glides, standard metal glides, felt glides, and metal glides with a nylon cap, and felt.

FRAME FINISH

The stain is hand-wiped into the grain to ensure even color and maximum penetration into the wood. The frame is then sanded and sprayed with two coats of catalyzed finish to prevent cracking and chipping.

SEAT

The fully upholstered seat provides luxurious comfort and the opportunity to customize the barstool to fit your decor.

FRAME CONSTRUCTION

Mortise and tenon joints are glued with high solids water-based glue and reinforced with 18-gauge nails. Screws and corner blocks provide stability and strengthen the main joints.

DIMENSIONS

	BARSTOOL	ARM BARSTOOL
OVERALL HEIGHT	45.5 in (115.6 cm)	45.5 in (115.6 cm)

BARSTOOL KICKPLATE

Barstool kick plates provide style, protection, and durability. Brass kick plates come standard, but chrome and black kick plates are available upon request for no additional cost.

C.O.M. UPHOLSTERY

The amount of fabric needed per chair is estimated using 54-inch (137 cm) wide material. The actual amount required may vary depending on special pattern matching and the width of material. Specific yardages for orders can be provided upon request along with the model, quantity, and fabric details.

Customers are responsible for any additional customs/duty fees for fabrics shipping across the border.

WARRANTY

Holsag is part of the MITY Incorporated family of product brands. MITY warrants all Holsag chairs. Read complete details about the warranty at holsag.com/warranty.

STANDARDS

All upholstery and foam meet or exceed California Bulletin 117.
