C.O.M. UPHOLSTERY

The amount of fabric needed per chair is estimated using 54-inch (137 cm) wide material. The actual amount required may vary depending on special pattern matching and the width of material. Specific yardages for orders can be provided upon request along with the model, quantity, and fabric details. There is a \$50 flat charge for COM to cover Duty and Customs charges.

HOODED BALL CASTER

Casters can be added to the front legs of the arm chair to provide easier movement as well as stability. The 2-inch sphere wheel and antique brass are designed to not only be beautiful but to act as a guard. The casters are professionally installed to ensure there is zero compromise to the integrity of our chairs.
