SOLID WOOD SEATING

ILA

The **IIa** features an attractive design that provides extraordinarily comfort with a plush seat and high back for support. The curved back panel include 3 cutouts that offer a unique and attractive design and ease of movement. The chair now features an antimicrobial finish to inhibit the growth of micro-organisms, such as bacteria, fungi, algae, mold, mildew, and some viruses.

## PRODUCT FEATURES

- 1 Strong, beautiful European Beech hardwood frame
- 2 Form-fitting curved back provides support
- 3 Standard and custom stain options are available
- 4 Plush 2.5-lbs foam seat provides long term comfort
- 5 Strong mortise and tenon joints
- 6 Generous gap between the back and seat offers easy cleaning
- 7 Back features 3 cutouts for an attractive design and an easy way to move the chair
- 8 Hand-finished stain with 2 coat catalyzed antimicrobial finish will prevent chipping & scratching

## STANDARD WOOD STAIN OPTIONS

\*Matches MityLite buffet & dining table tops

## FABRIC OPTIONS

See [holsag.com/fabrics](http://holsag.com/fabrics) for selections.

## SPECIFICATIONS

BACK STYLE	ARM OPTION	FINISH	FABRICS	FABRIC YARDAGE	STANDARD GLIDE
Fixed	n/a	Antimicrobial catalyzed lacquer	Grades 1-4+ TB133, COM	Visit <a href="http://holsag.com/fabric-requirements">holsag.com/fabric-requirements</a>	Nylon

## FRAME

The frame is built using 100% solid European beech, a strong, bendable, and renewable hardwood. This light-colored wood is ideal for staining which provides an attractive finish in any color.

## FRAME FINISH

The stain is hand-wiped into the grain to ensure even color and maximum penetration into the wood. The frame is then sanded and sprayed with two coats of a catalyzed antimicrobial finish to prevent cracking and chipping.

## FRAME CONSTRUCTION

Mortise and tenon joints are glued with high solids water-based glue to strengthen.

## BACK

The form-fitting, curved back is constructed with wood and features three cutouts for easy movement.

## SEAT

The plush foam seat is 2 lbs thick for added comfort.

## GLIDES

Options include nylon glides, small metal glides, standard metal glides, felt glides, and metal glides with a nylon cap.

## BARSTOOL KICKPLATE

Barstool kick plates provide style, protection, and durability. Brass kick plates come standard, but chrome and black kick plates are available upon request for no additional cost.

## C.O.M. UPHOLSTERY

The amount of fabric needed per chair is estimated using 54-inch (137 cm) wide material. The actual amount required may vary depending on special pattern matching and the width of material. Specific yardages for orders can be provided upon request along with the model, quantity, and fabric details. There is a \$50 flat charge for COM to cover Duty and Customs charges.
