

Milan Folding Chair Cart – Vertical

The Milan Folding Chair Cart — Vertical stores 12 Milan chairs per cart. Folded chairs are stored vertically, propped up against the sides of the cart. Chair feet are lined up in the tracks on the base of the cart. A tall handle works with the swivel front castors for precision steering. This high-capacity folding chair cart is durably constructed with a powder coated, 16-gauge steel frame built with four (4) stationary wheels and two (2) rolling casters. The casters lock for safety and stability during loading and unloading.
